Hello NDBG Families!

How to begin this note to you? Of course, I'm hoping that you are doing well and adjusting to this new normal. I think we can all agree that when 2020 dawned we didn't think we would be learning in such a different environment.

What I can tell you is that our community of Golden Knights has truly risen to the occasion. Our faculty and staff continue to go above and beyond in providing an education for your children. And your children continue to work hard day in and day out in unusual circumstances.

If you've been following NDBG on social media you know that while we're not together in body we're still together in spirit.

This week we have recognized outstanding scholarship with the National Honor Society Induction Ceremony organized by Mr. Biggs. This month we will be hosting a telethon on May 12 to continue to fundraise for our students.

Speaking of fundraising, I'm excited to announce that our school has **met** its Annual Fund goal of \$50,000. Donations continue to come in from generous alumni. Families asked for the chance to sell World's Best Chocolate and those bars are in available in the office. Each box is \$60 and \$30 from that goes directly to your fundraising commitment.

One of our largest fundraisers of the year is our **annual end of year tuition raffle**. **Each ticket purchased is a chance for one fortunate student to attend ND-BG tuition free for the upcoming 20/21 school year**. Tickets may be purchased in the office during business hours or mailed back to school. We can also take credit card payments over the phone! 100 % of these funds stay right in the school to continue to provide our students with the safe, faith based, rigorous education that has been the cornerstone of our school for more than 60 years. I know that we can count on your support.

It is awkward to have these conversations about fundraising during such an unusual time in the world. We are working so hard to continue to educate the whole student in unprecedented times.

As a school we're bringing not only the classroom to your home, but also opportunities to enjoy theater with the Spring Play **CLUE** being brought to your homes later this month.

We will be having a May Crowning Ceremony with Father Isopo, our school board president on May 13. We are in the planning stages to have a school car parade to greet all of you.

There are so many things we're missing these days. While we're not together we ARE together in spirit. We've got this. And with your continued support we will thrive.

As I say each month, please email me with any questions, ideas, or concerns. I love to hear from our families.
