About Our School

Notre Dame – Bishop Gibbons School is a coeducational, Catholic, Diocesan college preparatory school serving students in grades six through twelve. The school is located in Schenectady/ Niskayuna area and has served that community for over 50 years. Fully accredited by the Board of Regents of the University of the State of New York and the AdvancED North Central Association Commission on Accreditation and School Improvement (NCA CASI), ND-BG serves a diverse ethnic, religious and socio-economic student population from a wide geographical area. Our students receive the personal attention and care of many devoted faculty and staff members who believe that “learning is a life-long process and that Christian commitment never ceases.”

The Christ-centered environment is rooted in the teachings of the Roman Catholic Church and the charisms of the Congregation of Christian Brothers and the Congregation of Notre Dame sisters, the founding orders of the school. The faculty and staff strive to prepare students for both college and life-long learning while challenging students to achieve their highest academic potential and to foster reverence for themselves and others.

As a Catholic college preparatory school we reverence the intrinsic dignity and unique capabilities of each person. We call each to develop those capabilities in a secure, well-structured environment where high academic and behavioral standards are the norm. We endeavor to provide an educational experience that helps our students emerge as enriched human beings who perceive learning as a life-long process, who recognize the value of a strong prayer life, and who accept responsibility for self and others.
